Visiting Wethele Manor

Visits for décor

Lots of couples are looking to visit with their décor helpers or photographers – please do drop us an email and we can arrange a good time for this to happen. If you do not need us we can leave the venue open for you to visit without us.

Meetings

We would be delighted to meet you to discuss your thoughts at any point along the journey to your wedding day.

We would usually ask that we meet when you have had a chance to pop as much detail on your wedding planner online so that we can have a read before your come to visit us to make the most of your visit.

We would always meet on the week of your wedding to take delivery of all of your non-perishable goods and to talk through all other elements. Usually this would be in the daytime of the Monday or Tuesday before your wedding day.
