

Wethele Manor

External Caterers

At Wethele we have two preferred caterers

Seven Mile

Kemp and Kemp

We do offer a limited Menu ourselves for those looking for home cooked, hearty feasting.

External caterers are catering teams who are different to those listed above and are coming here for the first time or not, but are not one of our preferred suppliers.

We charge £650 + vat for external caterers to operate at Wethele Manor

We charge £200 + vat for evening catering suppliers to operate at Wethele Manor

Any supplier coming to Wethele Manor must have:

Food hygiene certification

Public Liability Insurance

Risk Assessment

We will require all of this documentation to be emailed to us in advance of the event.

All external caterers would supply their own chefs, table service team, cutlery and crockery as standard. They may also supply your linen and glassware depending on arrangements with us.

All external caterers are expected to take all waste with them - general waste and food waste.

Kitchen

External caterers can use the marquee kitchen at Wethele Manor
- some may set up an alfresco gazebo area to cook.

If your external caterer has not catered at Wethele Manor
previously we would require a site visit with them in advance of
your event.
