‘The Manor’

Bar Management Fee (you ‘bridal party’ supply the daytime drinks)

The wedding party bring the daytime drinks for the daytime part of the day, which we serve, up to the end of the wedding breakfast (up to 7pm)

(Drinks are supplied by the wedding party only (not by the guests) and the drinks are delivered to Wethele in advance of your wedding day, Wethele will be in touch nearer your day to arrange the drop off of all non - perishable décor and drinks.)

The drinks supplied by yourselves are:

1. Reception Drinks. These are your Post ceremony / ‘reception’ post church drinks which is usually for about 1.5 hours in duration, whilst photographs are taken in the gardens and your guests enjoy a relaxed time often with garden games on the lawns. You might also have Canapes at this time.
2. The wedding breakfast drinks, the wine for the main meal after you are married (often two or three courses in the marquee).
3. The toast drink – usually a glass of sparkling for your toast / speeches..

An Example of the drinks brought for your wedding day:

Prosecco or Pimms and bottled beer for your drinks reception and a soft drink/s (usually guests drink 2-3 glasses at this time)
